Ramada Inn, Watertown, NY

April 25, 2012 5:00-7:00

Light refreshments provided

Overcoming Obstacles, Making Connections.

Children with disabilities have a unique way of seeing the world and interacting with people. Understanding their perspectives and needs is the first step in enabling them to be happy and successful. This presentation focuses on common challenges faced by many children with disabilities, both at home and at school. Dr. Friga will share strategies that address common routines, improve adult-child communication, and assist children in developing positive social relationships.
